

STAR MAGIC HEALING

FACILITATOR TRAINING

Level 1 Prospectus

INTRODUCTION TO STAR MAGIC

Star Magic, as well as being the most powerful healing frequency on the planet, is a lifestyle. It's an opportunity to be free - mentally, physically, emotionally and spiritually.

Star Magic is a way of life, a lifestyle that will inspire you to live with passion. Whether following your heart's desire to heal yourself, your clients, if you choose to set up your own healing business or raise the consciousness of the collective. After attending the training, you will harness and unleash the innate potential that lies within you. Star Magic is the key to unlocking the door to a free, loving and compassionate world. A space nurtured and cradled in love.

Welcome

STAR MAGIC Facilitator Training

You will be guided, personally by Jerry, through this 7-day training. You will experience firsthand the healing power of the Star Magic Frequency and be shown how to connect with it and apply it to real problems, physical, mental, emotional and spiritual. During the training you will know that all four are thoroughly linked. You will be shown how to see and feel energy and how to use this power to heal yourself and others rapidly with lasting results.

Why is STAR MAGIC Facilitator Training Different?

Star Magic is very different to any other healing modality on the Planet. You will be trained how to tap the consciousness field of another human being, access their past life or parallel life records and make changes in the Quantum Field, that show up in the physical space now. Your brain and body are just like biological computers, downloading data. The data they download is from this current reality and also others, past and future, which in the Quantum field do not exist. All is now.

The data that creates illness, a lack of abundance or a sequence of unhealthy relationships is held in the cells and DNA of a person and the point of creation of this data, the emotional response that went unchecked and compounded, eventually causing disease, injury, illness or a lack of something in a persons life, stems from an experience the soul is having or has had (depending on your perspective) in the Quantum field. In other words, from a past or future life or this present day one.

If you want to change a person from unhealthy to healthy, struggling to pure abundant flow, toxic relationships to vibrant, glowing and expansive relationships, the key is to change the programming that created them. The programming is the past, present or future experience. Imagine you wanted to change a websites color from blue to yellow. You would go into the back end of the system, change the code and re-program the website and so the website would look different when accessed it through your laptop. In Star Magic we apply the very same principle.

You will be trained how to go into the back end of anyone's biological computer (the consciousness that runs their body and brain) and change the code/programming (the past, present or future lives) and see the physical results show up quickly, often immediately.

Sounds complicated, right?

Everyone Can Do This

This sounds complicated if you are hearing this for the first time, we know. Jerry has trained thousands of women, men and children from over 36 countries and all walks of life. From stay-at-home mom's to lawyers, nurses, grocery shop owners, factory workers, doctors, policemen and women, chiropractors, bankers, accountants, fire fighters, healers and so many more.

Do you feel a pull inside of you? A calling? Something deep that is yearning for more? Abundance in all areas of your life? A deep desire to assist in the growth of humanity? The Star Magic Facilitator Training offers you the opportunity to realize your full potential and live your dreams now.

Down to Earth Lifestyle

Many have said this about Jerry "There are very few indeed who introduce the subject of quantum energy, the quantum field, how to access it, read it and use it to heal in the way Jerry does. Fewer still who show you, once there, how to create verifiable results in the physical world."

“ FI training is a powerful and a wild ride that continues to expand long after the training is over. I found the material insightful, informative, transformational and an experience of deep deep healing. The content delivery was multi-faceted which allowed the process to be much richer and fun! It is a very hands-on training, which leaves you with a lived experience, rather than lots of unintegrated information.

Jerry is a phenomenal facilitator! At all times he is fully present, loving and most importantly, he creates a (spiritual, physical, mental and emotional) safe space to explore deeper aspects of your soul. He approaches every person and question with integrity, kindness and wisdom.

Overall, it is a gift to be in a room with Jerry and the Star Magic Tribe. For me he is an invitation to stretch myself in ways I didn't know I could. If you are considering this training, then be aware that your life is about to change 100%.

~ Manjit Khalsa

Introduction to STAR MAGIC HEALING Facilitator Training

Whether you are an experienced healer, a total beginner, wanting to add serious value to this Planet and assist in guiding your fellow sisters and brothers, your human family, on their journey to freedom where a high-vibrational experience is created for everyone, then you've found your way home.

You will learn/remember how to decipher these light and sound codes that can be used for healing, transformation and manifestation. These powerful, self-intelligent forces of light/energy and information can be applied to any situation, and as mentioned, very easy to use. They are self-transformative and can also be used at a distance (opening up an international client base for you from the comfort of your own home) to shift patterns in others as well as the environment.

“ I gained a greater understanding of the quantum field and how to access it. **My third eyesight is more acute and accurate**, and my skills were brought into balance as I was able to access a new frequency.

~ Claudia Wilson

What does it mean to be a Star Magic Facilitator?

It is for those human beings that genuinely want to thrive in this world and live 24/7 in a state of elevated vibration.

You will be guided by Jerry and the Star Magic team during this Facilitator Training Experience, to familiarize yourself with the unknown, unseen world and tap its massive potential. After all, there is enough energy in one cup of space to power our world for thousands of years. Imagine what you can achieve when you understand how to access this energy?

Healing should be fast, and healing should be easy. It shouldn't take time and when you know how to play with the cosmic fabric/the energetic field, all things are possible.

In this training program you will remember how to influence and manipulate Universal Frequencies that govern healing and disease in the human species.

You will be able to bring about rapid shifts in all who you work with.

Program Format

Experiential in nature

This experiential training experience is designed for all to attend, play, learn and manifest amazing new possibilities which stretch way beyond the imagination.

The course is open to everyone, from any background.

Whether you are an experienced healing practitioner or have little or no medical or wellness background, you can easily learn to play with the diverse and infinite light fields of Star Magic, to help yourself and help others.

Based on widely known scientific principles of Quantum Physics, combined with esoteric but very tangible knowledge, which Jerry was shown in the Ancient Mystery Schools of Egypt, this powerful way of transformation and healing is easy to learn and even easier to experience. There is no scientific background required.

You are the power and once you open yourself to the information contained in the Universal Light Codes of Star Magic, you will know this.

Extra-Sensory Abilities

In addition, you will learn to playfully access your intuitive capabilities through a process referred to as Dropping Down or Dropping In. This facet of Star Magic specifically opens up clairvoyance and fosters Hemispheric Synchronization or Whole Brain Awareness.

The format of the Star Magic Facilitator Training Program is experiential in nature. You will unlock the truth and see reality. You will see the world as one unified field of love, a vibrating mass of energy, as your third eyesight and total spiritual awareness heightens. Your extra-sensory abilities will elevate to a level of extraordinary.

You will also learn a unique intuitive process of accessing windows of information, through 4th Dimensional Holograms, to easily and seamlessly integrate all of the tools presented. This process can be applied in everyday life to practically and intuitively access solutions and shift patterns, anywhere at any time.

You will also learn/remember more advanced techniques/ways supported by comprehensive demonstrations and then you carry out the techniques in real-time with a partner in another town, city or county. When you experience healing at distance, in real time, your levels of confidence will grow, preparing you to go out into the world and build your healing business.

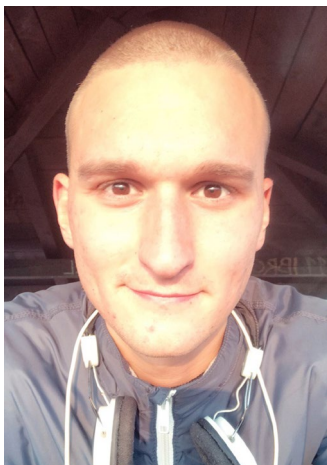

You will remember how to specifically interact with higher vibratory fields of intelligence (light and sound codes) and your awareness will strengthen as you read the information contained within the Universal Database (a term Jerry uses to describe the Quantum Field). This power is infinite. This power lies within YOU. Together, WE will unlock it and unleash your magnificence.

What our students say...

“ I learned how easy it is to heal others at distance, by using Holograms, Intention, Codes and Playfulness. Jerry has this unique gift that helps bring these important elements out of anyone inquisitive enough to sign up!

~ Mary Hunt

“ The training itself helped me tap into my untapped healing potential. Meaning, **for the first time I actually started to understand the quantum reality**, and how to connect and create change within the field, **that resulted in physical healing of others**. And that's just a very small portion of it. Really and truly, **my life has changed completely**. I cannot even put it into words the path that I was initiated on since finishing Facilitator Training Level 1. The training was a homecoming, and I regained my direction as a lightworker.

~ Aljaz Govvednik

“ Using Star Magic I have managed to **reverse my colour blindness**, no longer have anxiety or depression and have gotten **rid of a benign pituitary tumour**. I've also managed to **conceive!**

~ Bevin Bee

Online Buddy for Daily Practice

Each Day of the training you work remotely at a distance with another partner in the group. You play the role of both the healer and the recipient. This dual experience enables you to fully appreciate the power of Star Magic firsthand, both as a facilitator enabling healing, as well as a recipient, receiving the healing.

You completely experience the power of Star Magic healing at a distance. This enables you to get the confidence and assurance to know and work on healing anybody irrespective of space and time.

2 Bonus Days

Bonus Day 1: Freedom from Blocks

On the first bonus day, you will receive group healings and activations, given by Jerry himself. This will ensure that you are free from all blocks, past, present, future, and multi-dimensional. You will be worked on at a cellular level, using Star Magic, to ensure your body, the vessel for which Star Magic will flow, is clean and clear, so you can truly live at a level of extraordinary, and beyond, and be the absolute best Star Magic Light Energy Healing Facilitator.

Bonus Day 2: Q & A with hands on Facilitation 3 weeks after training

Often just after a training has finished and one begins practicing, you see things from a new perspective. This leads to the need to understand your learnings in a deeper way, or you might need clarification about a certain situation, or you might have a different set of questions. This is the normal curve of learning, and hence 3 weeks after your training we have a Bonus Day. In the Bonus day Jerry clarifies any of your queries and goes deeper in helping you understand any aspect of healing with Star Magic, to help you unleash your full potential. The best part is your support doesn't end here. Sections below describe our ongoing assistance and support system.

Flexibility of Distance Healing

Even though it's mentioned several times, it's important to truly emphasize the importance of being able to heal others at distance. With the unfolding of recent events in our world, travel is not so easy and people all over the world are looking for healing, post Covid. Because you will be trained in distance healing from the outset, you will have the ability and the opportunity to start an online healing business and communicate with people in need of healing from all over the world. You can do this alone or you can join the Star Magic Academy and work your way through the 4 Levels of Training, travelling and healing with the Star Magic Team, where, at the end of the 4 levels you will get the chance to work in one of our healing centers, which we are currently in the process of developing. Healing at distance is a sure-fire recipe for success and joining the Star Magic Academy gives you an abundance of opportunity.

“ Before taking this training, I was sceptical and worried if this would be too advanced for me to comprehend. I'm so glad I followed my intuition and calling. There were people from all over the world, from all walks of life, all different levels of healing experience (complete novices to professionals), yet we all got amazing experiences! This opened the big door for me to pursue my journey as a healer and transformed my life in a way I could have never imagined.

Fear/ego/logic tried to talk me out of attending because of the investment and I am so glad I listened to my heart. **It was the best investment I have ever made.**

“ Star Magic Facilitator Training is by far the most advanced transformational training available on Earth at the moment. And **I am speaking from experience.** **I've attended many other trainings from many teachers and nothing comes close to Star Magic.**

Star Magic Training takes you to the next level, where you will be encouraged, pushed when necessary and assisted to grow, to go beyond all your beliefs, fears and your comfort zone, to accelerate your healing, raise your vibration, expand your consciousness, access and manifest your highest potential and improve all aspects of your life and all life around you!

What I love the most about Facilitator Training is that you are empowered to become aware of the magic that you are. The whole Training is a journey, and it is designed and structured in such a way to create the best environment for you to heal, to awaken, to build and expand your inner knowing, your senses, your awareness, your intuition, your creative abilities and understanding of how to connect with, understand and create in the quantum field and get real, verifiable results. Regardless of what level you are at, you will feel the change in your consciousness, in your awareness, your body, your mind, your health, your energy!

~ Loredana Lapusneanu

“ Healing, whether in person or at a distance was super swift and simple. **I have never seen anything like this, and I have learned 10 other healing modalities.** During the Star Magic Training I played both the role of the receiver and the healer. It was a very profound experience facilitating and receiving a healing. The simplicity of working with holograms of a person, place or situation is extraordinary. **Even after the training when I worked unsupervised it was the most natural, easy, and swift process to facilitate the healing.**

~ Sanjay Shetty

You will be given Logos and Digital Badges that you can use on your website and social media.

To become accredited, you must complete 15 practice healing sessions. You will need to fill our detailed reports on each healing. These will be sent to an Advanced Facilitator who will go thoroughly through each client report. The Advanced Facilitators have the ability to connect with the Quantum Field and see exactly what you did or didn't do and will give you constructive feedback. If everything is OK, you will be accredited. There may be occasions where you are asked to go back and revisit one or more clients to ensure everything is completed professionally.

You will also be given the opportunity to join (once you are a fully-fledged Facilitator) the Star Magic Healing Network. Because Star Magic is performed at distance, once you join our Network, you will have access to clients that require healing. More stories from the Tribe..

“ I was introduced to energy healing by taking a Reiki class. I was working as a Customer Service Rep and was looking for an escape from the Gov't contracting rat race. In my search for additional training, I discovered a book called "Star Magic, Heal the YOU-niverse" By Jerry Sargeant. After reading this book I knew I wanted to know more. In April of 2019 I took my Level one Star Magic Facilitator Training. By Sept of 2019 My contract for work ended and I found myself unemployed. It was My opportunity to dive right in and launch My own practice in energy healing. **Now after a year filled with a pandemic, and an economy that came to a screeching halt, I find myself working remotely from home on clients from all over the world.**

The Universe works in Mysterious ways. Star Magic Healing is the most powerful Healing frequency I have found. I cannot wait to do Level 2. I Love the feeling of controlling my destiny. The Results I get with Star Magic Healing are simply amazing!!

~ Sergio De Brito

“ Whilst becoming an accredited practitioner of Star magic, and working through fifteen case studies, I have had sterling support throughout by Kim, a Master Facilitator. Kim has reviewed all my case studies with stunning insight and that has allowed me to go deeper in my own inner healing and further expand my abilities. This has enabled my clients to heal deeper. I have come to realise that once the training is over, the support and the training continues.

Training support includes the feeling of working in a team and the Star Magic Team checks my blind spots, plugs the gaps in knowledge and motivates me to succeed. **I am growing and expanding confidently. The support is honest and thorough.**

~ Malvia Kenlock

“ I did Star Magic Facilitator Training Level 1 and it has really assisted me in understanding how energies flow in the body and the invisible/quantum world, me in my own healing and has given me a greater awareness of how everything in the Universe is connected. When I am working with other people on their healing, I find Star Magic to be very efficient and effective. **Jerry gives plenty of support and training backup on his website which is very helpful.** Jerry never stops giving and is a star himself. If you are contemplating this training and sat on the fence, I would not hesitate if I were you. A great investment. .

~ Timothy Ollerenshaw

“ I remember the days leading up to Facilitator Training. I imagined myself completely expanding into whatever the Universe had next for me. I remember telling my friends, that I was going to do inner healing work and I would not focus on facilitating any healings or starting a business. I giggle now at those words. Day one of Star Magic Training, changed me forever. I am amazed at how easy, smooth and simple using Star Magic is. I instantly felt received, accepted and loved as a human soul. This practice of being with another person and gifting them our unlimited healing energy, is the most amazing experience.

It opened my eyes and heart so wide and it continues to expand me into the greater depths of me and all who cross my path for healing. **Seeing the visible, tangible healing results, inspires me to do more.** Jerry is incredible. His burning passion to love, teach and heal the planet is nothing like I have ever experienced. I truly have walked home into this awakened tribe and am living heaven on Earth. This is absolutely the most amazing experience anyone can gift themselves. You will thank yourself over and over again! So much gratitude for Star Magic!

~ Suzanne Parkos

“ Jerry Is Amazing!! I attended Facilitator Training Level 1 In May 2018 and Facilitator Training Level 2 in July 2018. I will be joining Level 3 in 2021.

I signed up to attend FT1 two weeks before the event was due to start. I had already qualified as a spiritual/crystal healer previously, but this was not enough. I was searching for someone who could talk to me and enhance my gifts and help shape me & show me how to use my potential and be the best I can be. Star Magic FT1 came up out of the blue and I knew I had to be there.

I was opened up to the quantum world and shown how to use my mediumship and psychic gifts to travel along timelines and heal past lives in a way I never knew possible. This was and still is, so powerful and I am truly humbled to be part of this incredible Star Magic tribe, where I can be me!!

This is what I came to this Planet to do. I just needed the right training to bring out my gifts. I was loved, listened to, and guided by Jerry and his team during the training and still am up until this day. There is always another tribe member to interact with and once you have completed 15 healing's, post Facilitator Training, there's even more you can explore. **To sum it up I've never looked back & am still as excited as I was that first day to be part of Star Magic Healing.**

~ Michele Pyne

“ I've been to many healing trainings and come away with a few techniques and they very rarely work. Jerry takes you on a journey of self-empowerment, he provides you with a whole arsenal of healing tools and shows you how to use them. He shows you how to access the quantum world and become comfortable with it in an easy, down to Earth style that everyone can understand. **He has taken something that is way out there and made it accessible for everyone. Its transformed my life.**

~ Kim Humphries

“ I was guided and introduced to Jerry and Star Magic from a friend. I engaged with the meditations and started following Star Magic. There was a weekend two day workshop that I decided to attend, 8 hours from home. I made the trip. It was powerful, and after attending I knew that I needed to be on Facilitator Training level 1, that was taking place in two days. I drove home, worked out my resources and adjusted my schedule. It was the best thing I could have done. Level 1 Training opened me up to the infinite possibilities within me, expanded my awareness and perceptions.

The experience brought me up to the place I had always wanted to be, with my heart and mind connected and in coherence, grounded, free and open to my full potential! I am now on my chosen healing path.

~ John Theobold

“ Since taking Facilitator Training and consistently listening to Star Magic Meditations, I absolutely turned my business around! I was at the point of losing it all! I had to borrow \$40 ,000 from my mom just to keep from going under. I started the meditations. Honest to god that year my revenues were \$1.2 million, and every year since I've consistently made over a million in revenues. **I now know how to vibrate and flow in the frequency of abundance. Thank you!** I'm so grateful for you and StarMagic!

~ Libby Siebold - Business Owner

As a doctor I was aware of the physical body's anatomical details. While working in the medical field I realised its various limitations and through Star Magic I was made more aware of the link between emotions, body parts and it's issues, healing disease and injury with light codes geometry easily and speedily. I have learned healing techniques which are very powerful and have produced remarkable clinical results.

2018 was a Gift with Star Magic Facilitator Training with Jerry Sargeant. Both level 1 and 2. On a personal front I saw lots of changes in my life with breaking of patterns and specifically the pattern of a family vow which raised my frequency with various meditations that we are taught. The best part was I was good with 1 on 1 healing before class but Jerry's guidance and tools of Star Magic Healing enabled me to expand my extra sensory capacity and unlock my gift off doing Group Healing Sessions with more than 30 participants, having awesome results.

As a doctor, I have witnessed healing cases like Paralysis - Stroke where the brain cells are killed, resulting in loss of message between muscles and nerves damaging the nervous system and stopping it coming back to life. The Holographic Healing of the nervous system with Star Magic, enables the revival of cells. Being a doctor, I can bring this work into the medical world. During sessions I could see the effects. I've witnessed jerks and twitches in muscles with moving eyeballs and tears in the eyes. The cells, tissues, and organs each produce certain collective frequencies by working with the Star Magic energy and different codes.

I've witnessed changes in many more diseases like Acute Pancreatitis and malfunction of the organs. Clearing it with Star Magic enabled the revival of the function of organs with immediate changes in blood reports with quick recovery. Macular Degeneration is an irreversible condition where vision is permanently lost. Using Star Magic I was able to bring the eye sight back by 50%. Incredible. I have witnessed Thyroid Cancer disappear by using Star Magic. There are miracles in many more cases like Infertility, Diabetes, Asthma, Ovarian Cancer, Peptic Ulcers, Spinal Dislocation, Back Pain, Spondylosis with vertebral degeneration.

The Skills taught in Star Magic Training result in the balance of vitals and haemodynamics of patients resulting in speedy recovery with ease with the change in pathology and physiological conditions. Gratitude to Jerry Sargeant for these amazing teachings. I must say Facilitator Training is an awesome advanced training made easy and accessible and a phenomenal experience I recommend everyone allows themselves to have. I look forward to joining Jerry and the team for Level 3.

~ Dr Vandana Rannjit Ashar

“ Taking part in the Level 1 Training was a life changing experience. I never thought I'd ever want to be part of a spiritual community. Once I met Jerry and saw how different he was from most spiritual teachers I had seen, with his tattoos, and a similar background to me, I felt a lot more comfortable. The training elevated me in many ways, but first I had to deal with the hard stuff. I had entities removed and went through a lot of deep healing that opened me up and allowed me to love myself unconditionally. This was huge. It was tough but with the support of Jerry and his team I got there.

Jerry is an inspiring teacher and a stellar healer! He has a top-notch approach to teaching Star Magic. He makes it fun and easy to understand but super informative. This made the whole experience exciting, empowering and made me eager to implement Star Magic into my daily life. Now, I have completed my basic Facilitator Training as well as Level 2 and have also received an apprenticeship. Jerry gave this to me on my 21st birthday, on the Ascension Tour in Egypt in 2019. Now, I travel with the Star Magic team and get to help transform other people's lives too. It is a job that is unparalleled to any other and it all started with Level 1. I said yes. So, can you!

~ Antonio
